

Environmental Education Funding Opportunities 2008

STATE SOURCES

Environmental License Tag Grants. Sponsored by the Oklahoma Environmental Quality Education Committee. grants to promote new enthusiasm for the practice of environmental education for Oklahoma teachers, public or private (Pre K – 12), school environmental clubs, youth group leaders, and/or organizations with a youth component to apply for the grant. Applicants may apply for amounts from \$300 up to \$1,000 per grant, with a total of \$20,000 to be awarded in early 2009. Categories include: Environmental Club Projects, Edible School Gardens, Environmental Education Projects, Outdoor Classroom Revitalization, Recycling, and Composting. These grants have been awarded annually since 1996. Detailed information is available on the DEQ. Website: www.deq.ok.gov. Contact: Susie Shields (405) 702-5166 or susie.shields@deq.ok.gov.

Learn and Serve America Program. Awards grants to schools for efforts that engage students in environmental and other community activities. School projects meeting specifications may be eligible for grants ranging from \$1,200 to \$15,000. In addition to funding, schools receive access to training and resources and have opportunities to learn from each other at more regular network meetings. Some outdoor classrooms and habitat programs have been started through this program. These funds are appropriated by Congress and amounts awarded may shift from year to year. Contact: Learn and Serve America, Oklahoma State Department of Education, 2500 N. Lincoln, Oklahoma City, OK 73105, (405) 521-4795.

OGE Energy Corp. Offers K-12 public school teachers grants of up to \$1,000 to teachers at in OG&E and Enogex service territories in Oklahoma and Western Arkansas. Any creative project, which deals with reading, mathematics or science, will be considered. Grants are available to public school teachers of grades K-12. Details online at: <http://www.oge.com/about-us/tg/tg-overview.asp> or by calling 1-877-775-7797.

Urban and Community Forestry Challenge Grants. Sponsored by the Oklahoma Department of Agriculture Forestry Services in cooperation with the U.S. Forest Service and the Oklahoma Urban and Community Forestry Council, this grant program is designed to establish, expand and promote urban and community forestry in the State of Oklahoma. Grants may be awarded to state and local units of government, approved non-profit organizations, neighborhood associations, civic groups, educational institutions or other tree volunteer groups. All projects must occur in Oklahoma. The amount available ranges from \$1,000 to \$10,000 per grant and is a 50% matching program. However, in-kind matching is acceptable. Contact: Mark Bays (405) 521-3864 to request a grant package.

U.S. Fish and Wildlife Services Outdoor Classroom Grants. The U.S. Fish and Wildlife Services' (FWS) Partners for Fish and Wildlife Program provides project development grants up to \$5,000.00 for Outdoor Environmental Classrooms. These Outdoor Classrooms must emphasis wetlands and/or endangered and threatened ecosystems in Oklahoma. Funds are to be used for project development, such as, wetland construction, walkways, gazebos, plant material, etc. For more information on wetland development and how to get a wetland classroom going at your school, call Jontie Aldrich or Ken Williams (918) 581-7458.

NATIONAL SOURCES

Best Buy Children's Foundation. To enhance the quality of life of school-age children in communities where Best Buy Co., Inc. maintains a presence - through support of programs and organizations that offer leadership and educational opportunities. The Foundation invests in organizations and programs committed to making a difference in the lives of children. Emphasis is placed on innovative programs that promote personal achievement, mentor relationships and life skills, and accentuate learning opportunities for school-age children. All grants are given to 501(c)(3) organizations or organizations seeking this nonprofit status. Proposals are accepted on an ongoing basis. Contact: Best Buy Children's Foundation, Community Relations Dept., P.O. Box 9448, Minneapolis, MN 55440-9448, Phone:(952)947-2650, Website:www.bestbuy.com/about/CommunityRelations.asp.

Butterfly Garden Grants. Available from Hasbro Children's Foundation where the focus is on gardens that have strong educational emphasis at schools located in economically disadvantaged areas. Deadline is in February, but proposals received sooner seem to have better chance. Contact: Jane Englebardt, Executive Director, Hasbro Children's Foundation, 32 West 23rd Street, New York, NY 10010, (212) 645-2400.

Captain Planet Foundation. Supports environmental projects for youth with grants from \$250-\$2,500.. All projects must: promote understanding of environmental issues; focus on hands-on activities; involve children and teens 6-18 (elementary through high school); help young people develop planning and problem-solving skills; and include adult supervision. Web: www.turner.com/cpf or e-mail: captain.planet.foundation@turner.com.

Coca-Cola Foundation aims to provide youth with the educational opportunities and support systems they need to become knowledgeable about the world in which they live and better able to give back to their communities. Three main areas include: 1) HIGHER EDUCATION: Pipeline programs connecting various levels of education that encourage students to stay in school and to proceed with confidence to college and graduate school; Scholarship programs in support of graduate and undergraduate

students; Minority advancement in the form of scholarships, urban programs and cultural diversity programs; 2) CLASSROOM TEACHING AND LEARNING: Innovative K-12 public school programs, and those outside the "four walls" of the classroom; Teacher development programs; Smaller projects dealing with specific activities in the elementary and secondary classroom; 3) GLOBAL EDUCATION: Programs that encourage international studies, global understanding or student/faculty exchange; Programs outside the United States promoting education: www2.coca-cola.com/citizenship/foundation_guidelines.html.

Echoing Green Fellowship Program. Gives social change entrepreneurs tools and resources to start public service projects in fields including education, environment, arts, health, youth service, community and/or economic development, and civil rights. Fellows receive a two-year \$60,000 stipend, health and dental insurance, networking opportunities, and technical assistance. There are no restrictions regarding specific program areas or geographic territories. Website: www.echoinggreen.org/

EPA Environmental Education Grants. Sponsored by U.S. Environmental Protection Agency to support environmental education efforts at the grassroots level. Local educational institutions, state agencies and non-profit groups are eligible to apply. These grants cannot be used for structure construction and a 25% cash or in-kind matching donation is required. Amount: \$5,000 to \$250,000. The deadline for applications varies from year to year. The RFP (request for proposals) usually comes out sometime during the summer, with the deadline in the fall. Contact: Jo Taylor, EE Coordinator, U.S. EPA Region VI, 1445 Ross Avenue, Dallas, TX 75202 (214) 665-2200 or 1-800-887-6063 or find lots of information on the web: www.epa.gov/epahome/grants.htm..

Global Relief Fund. Sponsored by American Forests for tree planting and care projects and educational efforts which encourage local volunteer efforts and donations. Larger trees in urban settings are preferred to reforestation projects using seedlings. 50% matching cash or in-kind donation required. Amount \$500-\$2,500. Applications due in January with funding awarded in February. Contact: Karen Fedor, Global ReLeaf Fund, 1516 P. Street, NW, Washington, D.C. 20005

GM Foundation Education Grants. Funded by: General Motors Foundation, Inc. Program areas: arts, general education, science/environmental, technology; recipients: public, private/charter schools in all states; online applications accepted year-round; Total amount: Over \$40 million; Average grant amount: Up to \$2 million; Contact Lorna G. Utley: 313-665-0824; Web site: www.gm.com/company/gmability/community/guidelines/who_support.html

GreenWorks! Community Action Projects. This Project Learning Tree's (PLT) environmental community action component encourages students to participate in community based partnerships by developing and implementing environmental action projects, such as graffiti paint overs, tree plantings, stream clean-ups and recycling projects. This grant program is open to any PLT trained educator and must contain a community partnership element such as working with scouts, PTA organization, local business etc. There are two billing cycles with deadlines April 30 and Oct 31 and up to \$5000 per project may be requested. Contact: Christina Stallings Roberson at 405-522-6158 or Christina.Stallings@oda.state.ok.us.

Growing Together. A partnership between The National Tree Trust and local schools or youth groups with the goal of establishing tree planting programs. The National Tree Trust donates seed for planting. Any 501(c)(3) organization or school, municipality, county or township is eligible to apply. Participating students should be between pre-kindergarten and sixth grade, with a minimum of 100 students (or three classes) must be involved. This program is administered in Oklahoma by Larry Wright, Great Plains Resource and Development Association (RC&D), 1505 N. Glenn English, Cordell, OK 73632, (580) 832-3661, info@greatplainsrcd.org.

The Home Depot. Offers grants for Sustainable and Green Building Practices, Forestry and Ecology, Clean-up and Recycling, Lead Poisoning Prevention, and Consumer Education has opened where they can do the most good. Environmental proposals are accepted, and must be postmarked, between November 1st and December 15th annually. There is no application form. Rather, The Home Depot prefers you tell them about your project in your own words, describing its scope, budget, and any other details. Announcements of awards will be made in writing between February 15th and 28th and will be paid out between March and July of each year. Organizations requesting a grant are required to have a Federal Tax Exempt nonprofit status and must include a copy of the 501(C)(3) letter/form. <http://www.homedepotfoundation.org/>

Kodak American Greenway Grants. Through a partnership of Eastman Kodak, The Conservation Fund, and the National Geographic Society, the Kodak American Greenways Awards Program provides small grants for the planning and design of greenways and support of grassroots greenways organizations in U.S. communities. Grants range from \$500 to \$2500. Online application: www.conservationfund.org/pagespinner.

John D. and Catherine T. MacArthur Foundation. This is a large, national charitable foundation identified as the largest funding source of EE projects in 1990. Estimated to have given out more than \$5.5 million to EE projects. Contact: 140 South Dearborn Street, Suite 1100. Chicago, IL 60603, (312) 726-8000. Website: www.macfdn.org

National Environmental Education and Training Foundation (NEETF) Grants. These are one-year challenge grants requiring a cash match of at least one non-federal dollar for each NEETF dollar awarded. Recent grants range from \$5,000 to \$40,000. The Foundation places special emphasis on environmental issues that relate to health and pose the greatest long-term risk to society; supports visionary and proactive EE and training projects that leverage resources and bring focus to the fields of EE and training; supports efforts that make citizens better informed about issues and empowered to make their own decisions to resolve problems; and believes that EE and training need not rely solely on the classroom as the medium. Contact: David Ashenhurst, Grants Officer, 915 Fifteenth St., NW, Suite 200, Washington, DC 20005, (202) 628-8200.

National Fish and Wildlife Foundation Grants. Emphasizes innovative and effective wildlife conservation activities in an urban or rural setting. Governmental units, educational or non-profit groups are eligible to apply for amounts of \$10,000 and up. A 50-100% matching cash donation is required. Applications are due in January with funding awarded in May or in March with funding awarded in August. Contact: National Fish and Wildlife Foundation, 1120 Connecticut Ave., NW, Suite 900, Washington, DC 20036, (202) 857-0166, website: www.nfwf.org/grants.html.

National Fish and Wildlife Foundation is offering the 2005 Native Plant Conservation Initiative, which provides federal dollars to nonprofit organizations and government agencies to promote the conservation of native plants. There is a strong preference for "on-the-ground" projects that involve local communities and citizen volunteers in the restoration of native plant communities. Projects that include a pollinator conservation component are also encouraged. Grants range from \$5,000 to \$40,000 with an average grant size of \$15,000. It is expected that all grant funds will be matched by non-federal contributions from project partners. The pre-proposal deadline is August 15, 2005. Application guidelines are available on at <http://www.nfwf.org/programs/npci.htm>.

National Geographic Society Education Foundation. The foundation's teacher grants are awarded to educators to facilitate their work in the classroom, school, district, and/or community. Projects that feature outreach to urban areas are particularly encouraged. In accordance with its mission, the foundation seeks to fund projects in either of two broad categories: 1) promoting geographic knowledge through education, and 2) promoting stewardship of natural and cultural resources. Applications are accepted from any current teacher or administrator in an accredited K-12 school within the United States. Website: http://www.nationalgeographic.com/education/teacher_community/get_grant.html

Newman's Own. Grants are awarded annually to organizations that focus on children and youth, health, education, the elderly, the environment, the arts, literacy, substance abuse education, and programs for the needy. U.S.-based 501(c)(3) organizations, schools, hospitals, and other public-benefit institutions are eligible to apply. Grant guidelines are available at: www.newmansown.com/5b1_grants.html

Outdoor Classroom Grant Program is a partnership of the Lowe's Charitable and Educational Foundation, International Paper and the International Paper Foundation, and NATIONAL GEOGRAPHIC EXPLORER classroom magazine. As part of Lowe's continued commitment to public education, Lowe's will provide more than \$200,000 in outdoor classroom grants to benefit public schools nationwide. Teachers may apply for grants up to \$2,000 by visiting www.Lowes.com/outdoorclassroom. For school districts with major outdoor classroom projects, grants may be awarded for up to \$20,000. All K-12 public schools in the United States (except Puerto Rico) are eligible to apply for a grant.

Pathways to Nature. Grants to enhance environmental education activities and bird/wildlife viewing opportunities at significant nature tourism destinations in the United States and Canada are being offered by the Pathways to Nature Conservation Fund. Projects of interest include, but are not limited to, boardwalks, viewing platforms and blinds, educational displays, and interactive exhibits. Grantees must match Pathways to Nature Conservation Fund awards with a minimum 1:1 ratio of third party cash or contributed goods and services. Wild Birds Unlimited stores in partnership with the National Fish and Wildlife Foundation sponsor the Fund. Application deadline: December 1st. For more information contact Peter Stangel (404) 679-7099 or stangel@nfwf.org. Website: www.pathwaystonature.com/

PEW Charitable Trusts. Another large, national charitable foundation with interests in environmental education projects, totaling more than \$1 million. Contact: One Commerce Square, 2005 Market Street. Suite 1700, Philadelphia, PA 19103-7017, (215) 575-9050, website: www.pewtrusts.com

PG&E National Energy Group Annual Environmental Education Grant program. Grants ranging from \$5,000 to \$10,000 will be awarded for innovative programs that encourage and support educating young people about the environment. Those eligible to apply for grants include K-12 schools, non-profit organizations engaged in educational projects related to earth science, conservation and the environment, and teacher training programs with hands-on student activities that focus on earth science and environmental education projects. Application guidelines at: www.neg.pge.com/grantProgram.html

Prudential Spirit of Community Awards. Recognize outstanding community service by young people in grades 5 -12. To be eligible, a young person must be in grades 5 through 12 as of the last weekday in October during the applying year; have engaged in a volunteer activity that occurred at least partly during the twelve months prior to the date of application; and complete an application form and submit it to a school principal or the head of an officially designated local organization. Website: www.principals.org/awards/prudential.cfm.

Starbucks Foundation Grants. Letters of Inquiry are reviewed twice per year during two periods: February 1st - March 1st and August 1st - September 1st. Starbucks Giving Voice Grant funds programs for youth that integrate literacy with personal and civic action in the communities where they live. Grants range from \$5,000-\$20,000. <http://www.starbucks.com/aboutus/grantinfo.asp>.

State Farm Good Neighbor Service-Learning Awards. Enable youth and educators to bring positive benefits of service-learning to more young people. This grant is for both young people ages 5-25 and teachers to implement service-learning projects for National Youth Service Day 2003. Grants from \$500 to \$1,500 each are available for young people and teachers to engage classes. The **AT&T CARES Youth Service Action Fund** was created to provide direct assistance to youth and youth organizations to lead signature service or service-learning projects during National Youth Service Day and beyond. Fifty grants of \$500 are available to address unmet needs and problems in their communities. Website: www.ysa.org/awards/award_grant.cfm

Toshiba America Foundation Grants. The Toshiba America Foundation encourages programs, projects and activities that have the potential to improve classroom teaching and learning of science, mathematics and the science and mathematics of technology. Funding is available for private and public schools, grades 7 - 12. Applications for small grants (\$5,000 or less) are accepted year round. Applications and guidelines are available online in PDF. Details on website: www.toshiba.com/taf/apply.html

Town Creek Foundation. Supports environmental programs that engage citizens in challenging the unsustainable use of natural resources and in protecting biological diversity. Strategies supported are grassroots activism, monitoring the enforcement of environmental laws, public policy advocacy, collaborative opportunities, media outreach, and model or demonstration projects fostering sustainable policies and practices. Details on website: www.towncreekfdn.org

Toyota Tapestry Grant. A partnership program of Toyota Motor Sales, USA, Inc. and the National Science teachers Association (NSTA), this program offers grants to K-12 science teachers. Grants are given to innovative projects that enhance science education in the school and/or school district. Fifty one-year grants, totaling up to \$500,000 will be awarded this year. The projects must center on either environmental education or physical science applications (applied physics, chemistry and technology). Projects should demonstrate creativity, involve risk-taking, possess a visionary quality, and model a novel way of presenting science. They should also involve hands-on activities, have an interdisciplinary approach and relate science to students' lives. To be eligible, middle and high school science teachers must spend at least 50% of their classroom time teaching science. Elementary teachers must teach some science in the classroom. Proposals must describe a project including its potential impact on students, and a budget up to \$10,000. Contact: NSTA/Toyota Tapestry, 1840 Wilson Blvd., Arlington, VA 22201-3000, (800) 807-9852. You may obtain an application form for next year's grants from NSTA's Fax on Demand service by calling (800) 400-6782 and requesting document number 591 or download it from NSTA's website: www.nsta.org/programs/tapestry.htm.

Youth Garden Grants. Cash is not offered, but tools, seeds and educational materials are provided the National Garden Association for garden programs involving at least 15 children between 3-18 years of age. 300 grants of about \$700 each awarded each year, with the deadline generally November 1. Contact: National Gardening Association Youth Garden Grant, 180 Flynn Avenue, Burlington, VT 05401, 1-800-538-7476, website: www.garden.org.

Youth in Action/Community Service Grants. Community service project grants of \$500-\$1,500 will be awarded to youth who take leadership roles and work with adult 4-H volunteer leaders and/or county Extension agents. Grants require youth teams to identify critical issues in their communities, develop activities to address these issues, and educate other young people and children on ways to model community service. Youth must be actively involved in writing the proposal and in program implementation. Collaborative efforts reflecting the diversity of the community are encouraged. Deadline usually in September: www.fourhcouncil.edu/programs/index.asp

LOCAL SOURCES--Oklahoma City Metro Area

Margaret Annis Boys Trust Fund. Grants for butterfly and outdoor classroom gardens. Fund encourages partnerships between schools, parents, neighborhoods and local businesses. Matching and in-kind contributions are important to successful grant applications. Grants are for perennials, trees, shrubs, soil, mulch and other plant material. Grant size range from \$1,000 to \$1,500 and can be partnered with other local and state funding sources. Contact: Oklahoma City Community Foundation, 1300 N. Broadway, Oklahoma City, OK 73103, (405) 235-5603.

Kirkpatrick Family Fund. Primary fields of interest are education, youth, culture, arts, neighborhoods and beautification. The Fund would be supportive of outdoor classroom gardens that have a strong educational component. Grants up to \$1,500 are reviewed monthly. Contact: l.eickman@occf.org, Kirkpatrick Family Fund, (405) 767-3702.
