# OKLAHOMA RECYCLING ASSOCIATION

## JOIN US!

**When:** February 11th from noon-1 p.m (CST)

**Where:** Zoom via Facebook live

**Who:** Ashley DiGregorio, Recycling Markets  
Program Manager for the Pennsylvania Resources Council (PRC)

**What:** Ashley will share information about the PRC's Traveling Glass Recycling Bin Program. Communities with curbside recycling programs who had to discontinue accepting glass can now offer glass recycling to residents in a drop off format. The glass drop off is scheduled for each community a week at a time and then rotates to another community.

**Why:** OKRA hopes to start a conversation in Oklahoma about the potential to pool resources to expand glass recycling to areas of the state where it is not currently feasible or economical.
